Safe Harbor champions equity in all public and private responses to domestic violence. We are committed to serving all survivors of domestic violence regardless of race, ethnicity, national origin, culture, gender, sexual identity, age, ability, or

faith. We serve the entire community in their individually unique circumstances, and we strive to meet each person in the place from which they can begin their healing journey. Safe Harbor also cultivates an internal community that honors understanding, compassion, acceptance, and belonging. These values ground our mission to assist and advocate for victims of domestic violence and their families from all backgrounds and to fulfill our vision to influence a culture where all people feel safe and valued in their relationships.
